A year in the Mundockian castle

FOREWORD

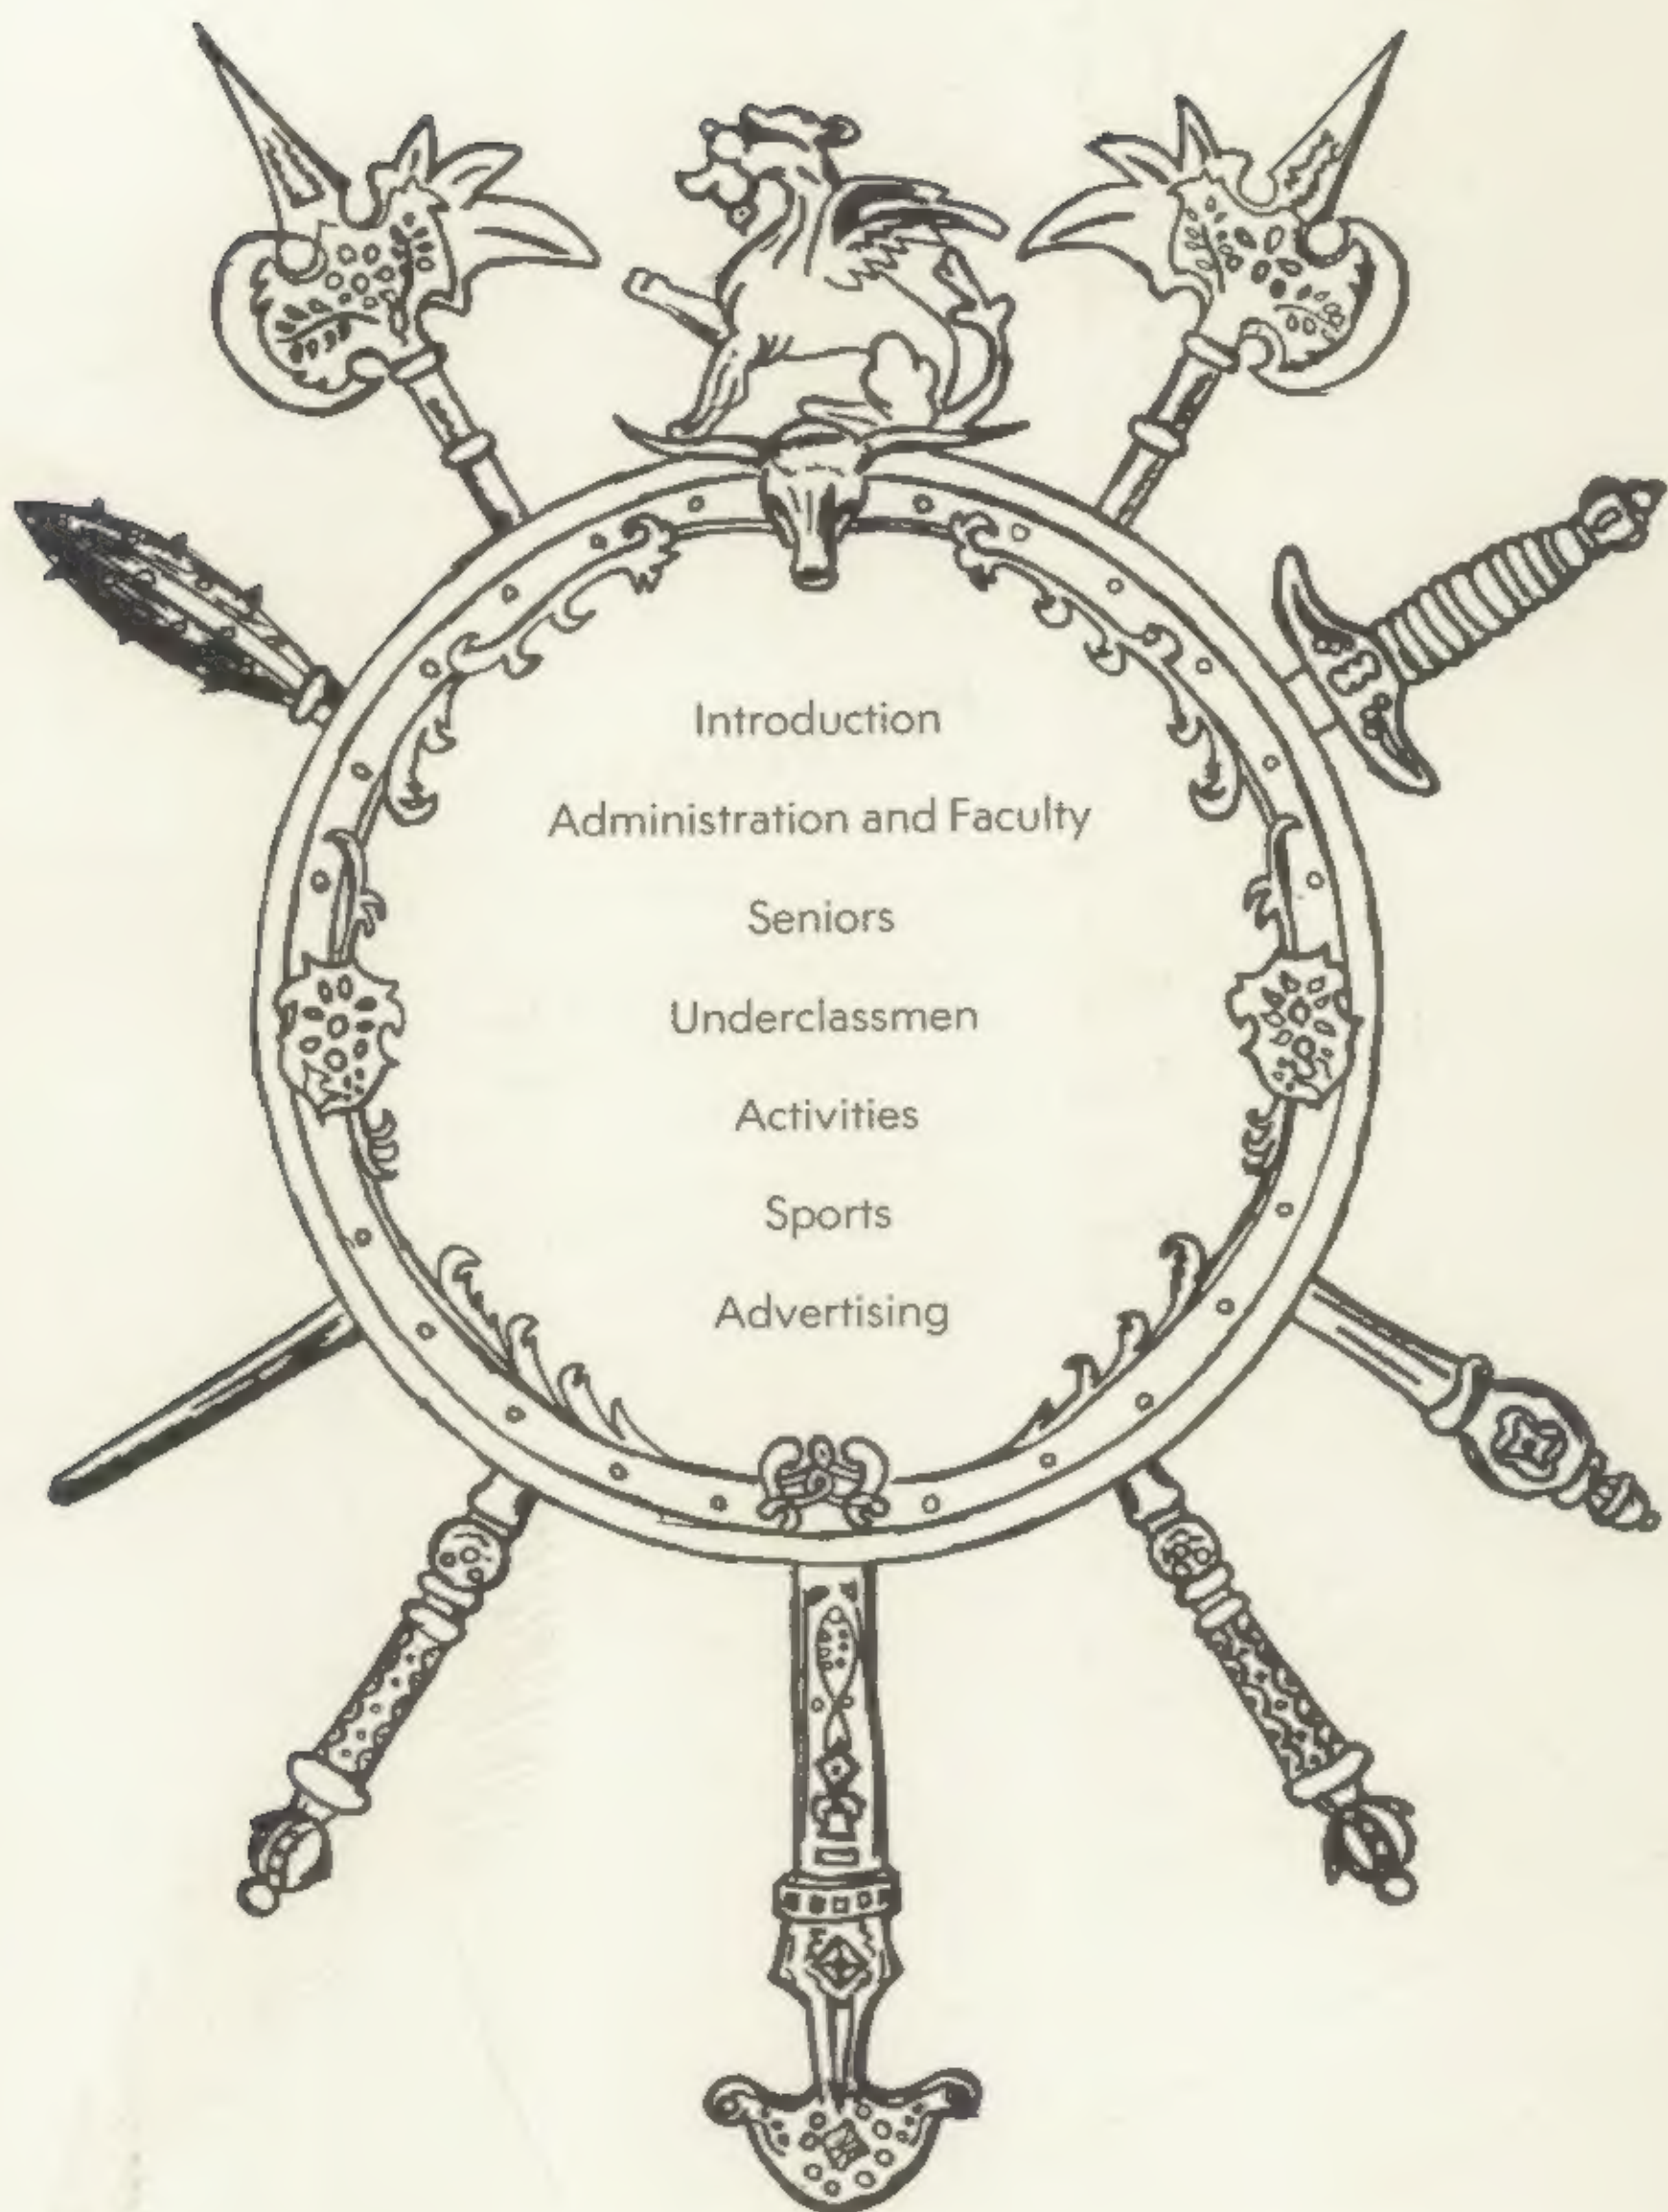

The staff will endeavor to portray life as it revolves around the Mundockian Castle at Upper Dublin.

We have taken the liberty of wide interpretation of the feudal castle theme merely to give the book continuity.

We are endeavoring to explain the school insignia so that the people of Upper Dublin can better understand the traditions we are attempting to establish in a new school.

We hope you enjoy your pictorial visit to the castle.

THE STAFF

Upper Dublin Township, established many years before Montgomery County was carved from Philadelphia in 1784, is one of the most renowned townships of the Greater Philadelphia area.

It was settled by Welsh farmers after 1683. Ten years later, thoroughfares, linking Upper Dublin Township with Philadelphia, appeared. Limekiln road was first to open in 1693; Welsh road was used in 1702; and, Bethlehem pike was completed in 1704.

Originally agricultural, its fields and meadows were fertile and well tilled. Soon, the Reading Railroad mapped its route through the township. With the advent of this railroad transportation, manufacturing began to thrive and predominate.

Today, strategically located Upper Dublin Township has noted industries as National Aeronautical Corporation, Columbia Steel Equipment Company, Selas Corporation of America, Keasby & Mattison Company, and Minneapolis-Honeywell Company.

The School Directors of Upper Dublin Township decided in 1947 that the township needed a complete secondary school.

Ground for the junior high school was broken in December 1948, and by September 1949, two hundred and forty-nine students were enrolled in grades seven, eight, and nine. The faculty was composed of eleven teachers, each using one room.

In September 1953, the high school program began to materialize with the addition of tenth grade. The building had been expanded to include nine additional classrooms, kitchen and cafeteria, office and gymnasium. The building contained thirty-one classrooms by September 1954.

Three senior classes have graduated—Class of '55 (71 students), Class of '56 (57 students) and Class of '57 (63 students).

COAT-OF-ARMS UPPER DUBLIN HIGH SCHOOL

SHIELD—Upper left quarter, Arms of George Washington, symbolic of the area.
Upper right, William Penn Arms, for Pennsylvania.
Lower half, Arms of Dublin, from which city the name comes.

MASCOT—The CARDINAL

NAME OF YEARBOOK—MUNDOCKIAN, for the Indians that inhabited the area.

NEWSPAPER—THE CARDINAL, for the mascot.

A DAY IN THE CASTLE

At 8:00 the serfs arrive at the manor for the day's work.

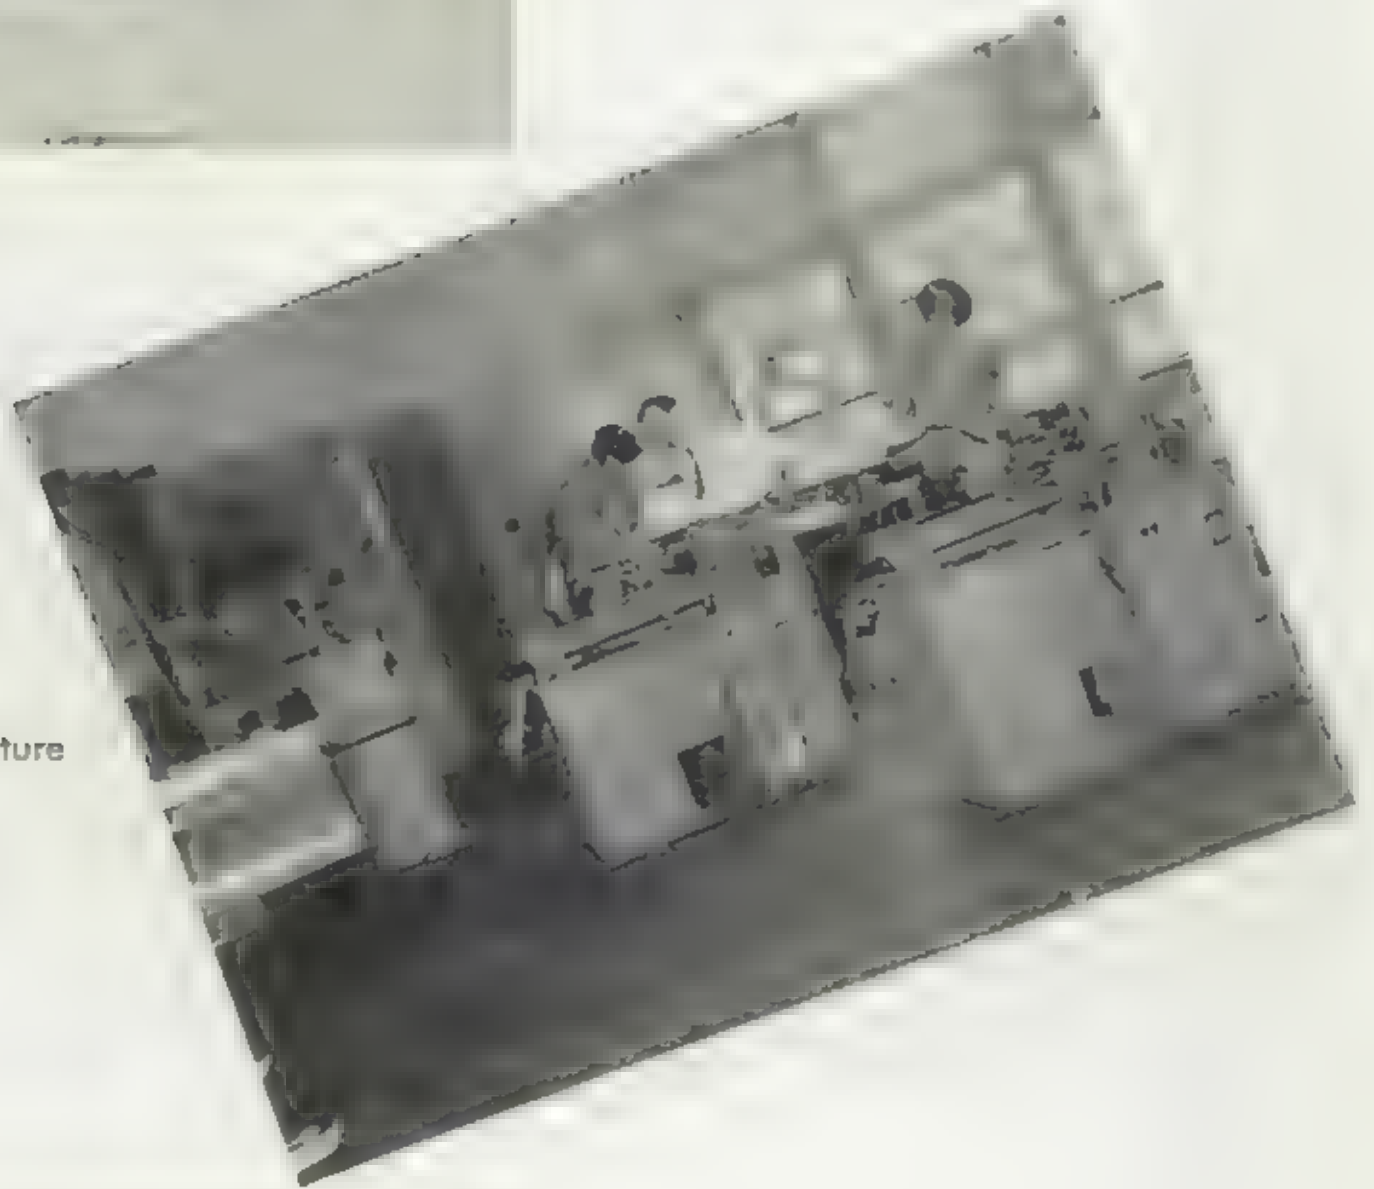

Of course, some are always late.

The day's work begins with the study of history and its contribution to our civilization.

Driver Training is offered to
the modern minded serf.

Metal shop for the future
industrialists.

Realizing the smallness of the earth
many study French.

Some interests turn toward
chemical research.

A healthy body makes a
wholesome mind.

The castle would not be complete
without competent cooks.

Some need guidance.

Many become very adept with commercial machinery.

Books available to the castle workers deck the walls of the library.

Many are confounded by the complexities of abstract thinking.

Music contributes to the well rounded individual.

At the close of a busy day we again board our bus to go to our individual fiefs.

DEDICATION

The Senior Class is proud to dedicate the fourth edition of the *Mundockian* to you, Mr. Gilronan, our advisor and good friend.

This is the highest honor that we are able to bestow upon you, and we do so because you have been a friend as well as a teacher. Your cooperation in all that we have done, your helping hand whenever needed, were greatly appreciated by us. Your patience with us and your understanding of our problems and mistakes helped us a great deal, although we occasionally tried your good nature a little bit too far.

You have the respect and admiration of all of us, and you have helped to make our years spent here at Upper Dublin more pleasant.

Therefore, the class of 1958 takes pride and pleasure in dedicating this yearbook to you, Mr. Francis J. Gilronan.

A black and white photograph of a large, open field, possibly a sports field or a park. In the background, there is a dense line of trees. A few small figures, possibly people, are visible in the distance near the trees. The overall scene is somewhat hazy or misty.

ADMINISTRATION AND FACULTY

SUPERVISING PRINCIPAL

Doctor Eshelman

To the Class of 1958:

May I take this opportunity to congratulate you on this, your Commencement, your graduation from Upper Dublin High School.

As you look back over the preceding twelve years during which you were in our schools, you will undoubtedly recall many instances which brought to you a lot of happiness, and you also incurred heartaches and disappointments along the way. The significant thing is that you have reached a goal in life—that of high school graduation. For this you merit our commendations and congratulations.

Having attained this goal, you have no doubt already set other goals for the future. Some will go to college, some will work in offices, and next year will find you scattered throughout many parts of the country. We hope you will carry the ideals of good citizenship and the qualities of fair play and perseverance with you wherever you may be.

Always remember the words of the poet:

*"To thine own self be true
and it must follow as the night the day
Thou canst not then be false to any man."*

As you leave Upper Dublin, our best wishes go with you to the end that you may be dynamic and participating citizens in our democratic society. May the future be kind to you and may you find abundant opportunity to be of service.

ADMINISTRATIVE PRINCIPAL

Mr. Jones

It is a pleasure to extend to the Class of 1958 the Congratulations and Best Wishes of the staff and faculty of the Upper Dublin High School.

Your achievements, accomplishments and contributions have brought increased recognition to you and your Alma Mater.

Upper Dublin will be proud of its Fourth Graduating Class.

We encourage you to continue your search after the truth, to live happily and devotedly to the ideals which you have set up and accepted. We ask you to pause and ponder the contributions and sacrifices others have made so that you might reap benefits unknown to your predecessors.

And then we should hope that you will strive unselfishly and wholeheartedly to improve what is now so that the following generations may gain by your having been here.

We wish for you the best in all your endeavors. May God richly bless each and every one of you.

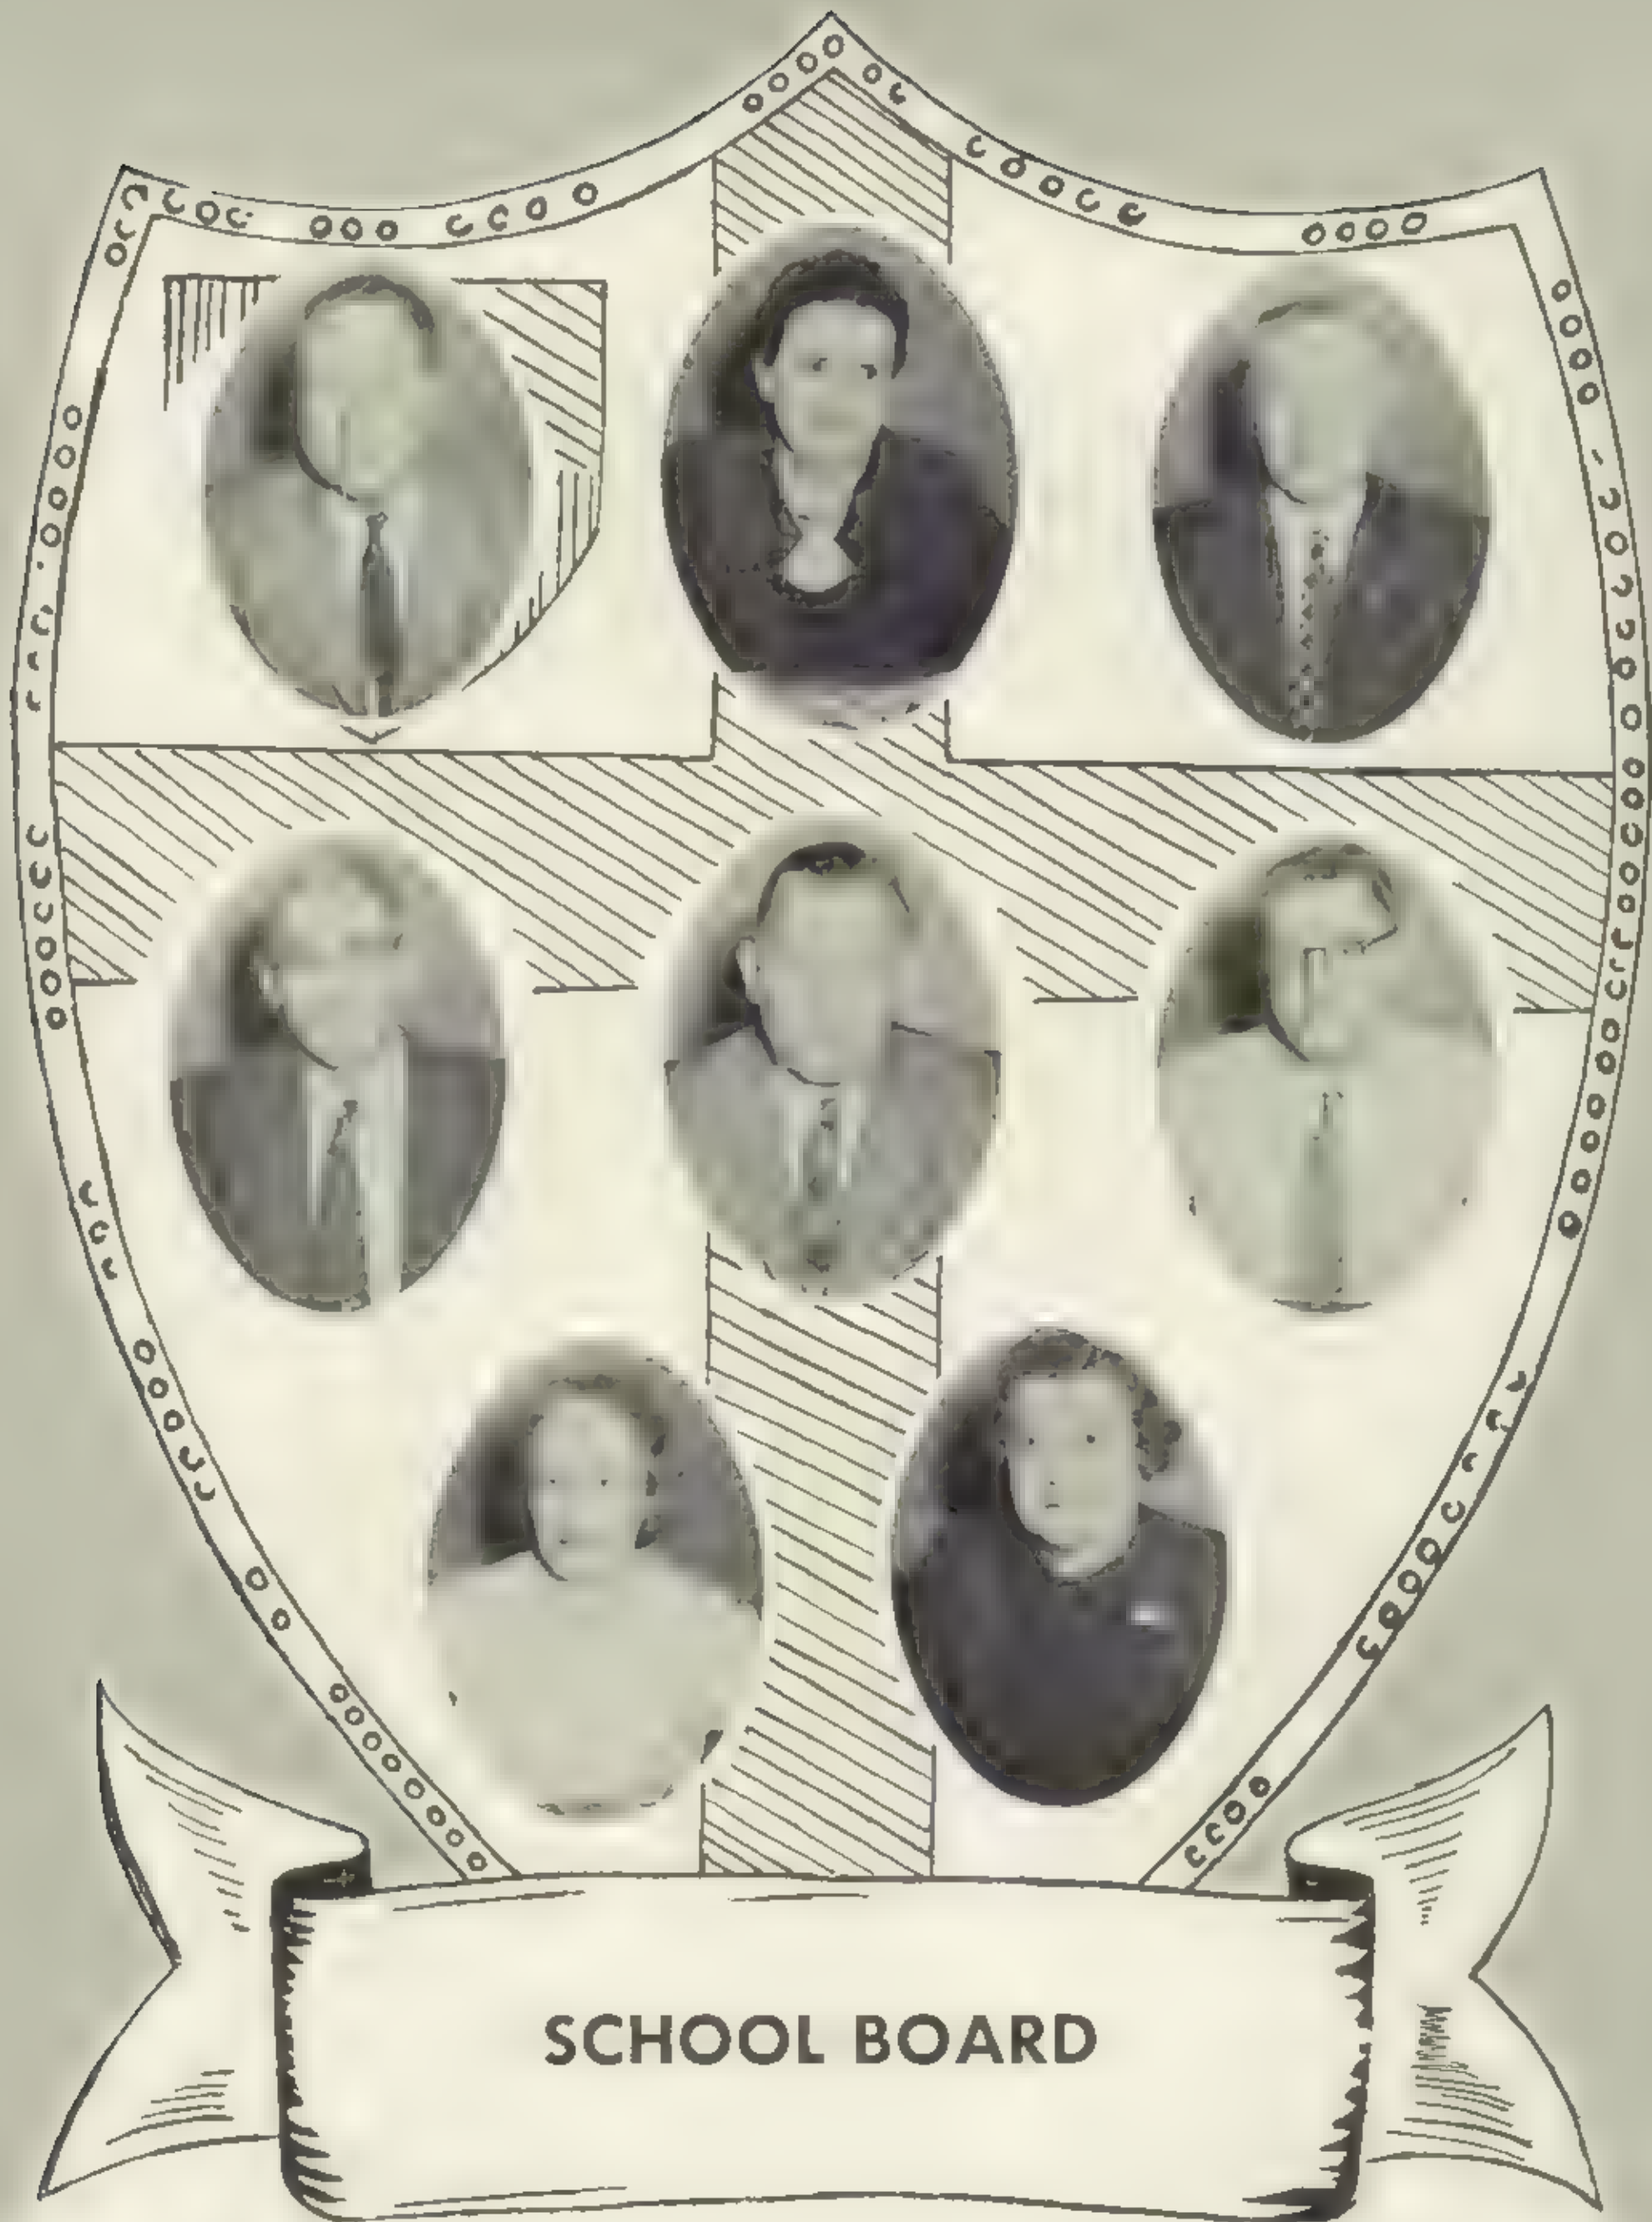

ADMINISTRATIVE ASSISTANT

Mr. Keim

It is with a great deal of pleasure and satisfaction that I look back on the past three years that I have known you. This class is the largest that has ever graduated from Upper Dublin High School. This fact is, in itself, a distinction of importance. This class has achieved many accomplishments and honors. We will be proud to include you among the alumni of Upper Dublin High School. As years go by, I feel sure the members of this class will live up to our expectations, and will become outstanding citizens of the community, country, and world.

Congratulations and best wishes to you, the Class of 1958.

SENIORS

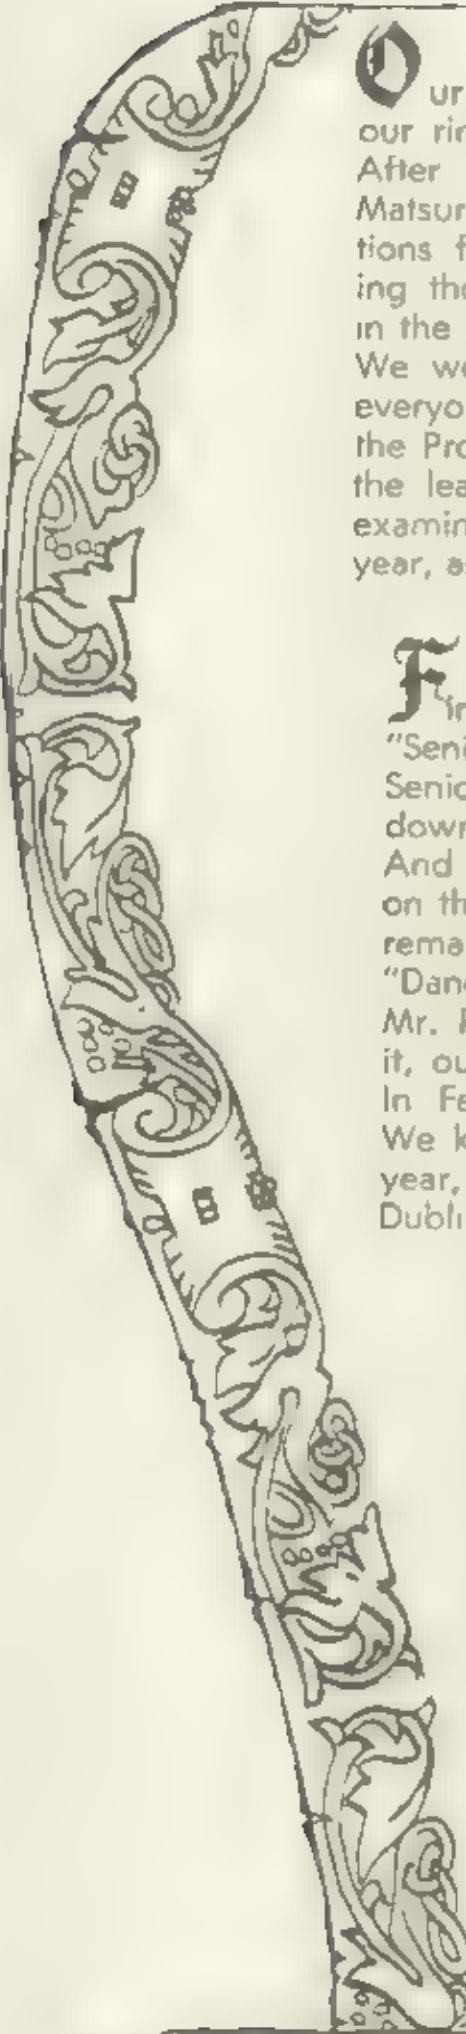

Our Stay In The Castle

It seems like a long time, but it was only six short years ago that we came to the seventh grade at Upper Dublin. How strange and new it seemed to us. But eventually we became accustomed to the long halls, the new teachers, and our many new classmates. We were soon able to distinguish the Seniors from the underclassmen, and we wondered if we would ever reach that seemingly unattainable position.

Then, before we knew it, seventh grade was finished; and there we were in eighth grade, ready for another year. And what a year it was! We were no longer the youngsters of the school, and we felt quite superior about it. When we took our trip to Harrisburg and Hershey, we really had a good time; and everyone longed to own the chocolate factory.

Ninth grade came almost before we were ready for it, but it was one more step toward that coveted goal. Finally, we were invited to attend our first dances with our older classmates. We had our ninth grade play, "One Mad Night," which was really a "mad" play and loads of fun. Some of us had become quite good athletes on the junior high teams and were already waiting for next year so that we could play on the varsity squads. Then came our long-awaited but rainy trip to New York City, and our graduation from junior high. We had only three years left, but still that senior year seemed far away.

Here it was—the fall of 1955—and we were in the tenth grade. This was the year we really became a part of the senior high. And we were ready to prove that we had really grown up. Our Valentine Dance was really fun, and we can still remember the excitement of seeing our tenth grade cheerleaders at their first varsity game.

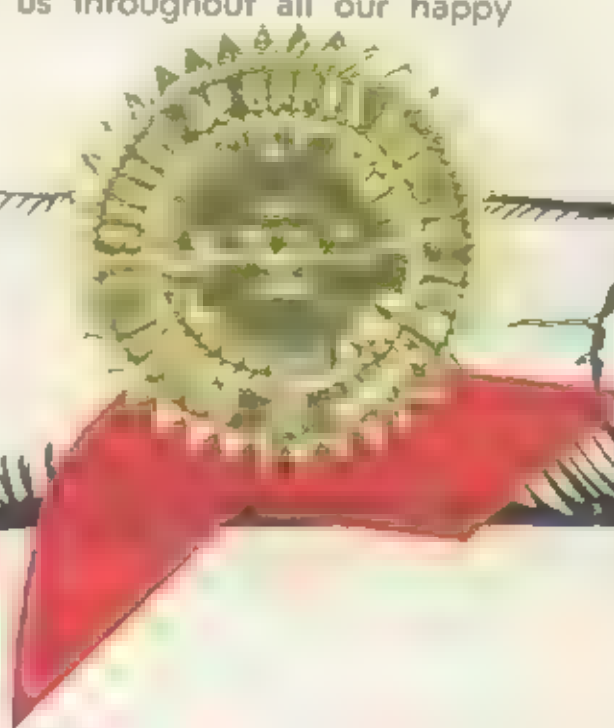

Pur Junior year was really busy. We started by ordering our rings. Then we began thinking about our Junior Prom. After much deliberation, we decided upon "Hanna No Matsuri" as the name. Then we started working on the decorations for our Japanese theme. No Senior will forget making those pink cherry blossoms. Suddenly, while we were in the midst of getting ready for the Prom, our rings arrived. We were so thrilled with them that we showed them to everyone. But we still had to get ready for May 18th and the Prom. And some of us were quite busy that day, to say the least, for that was also the day of the College Board examinations. Soon after that came the end of the school year, and we began to realize that we had only one year left.

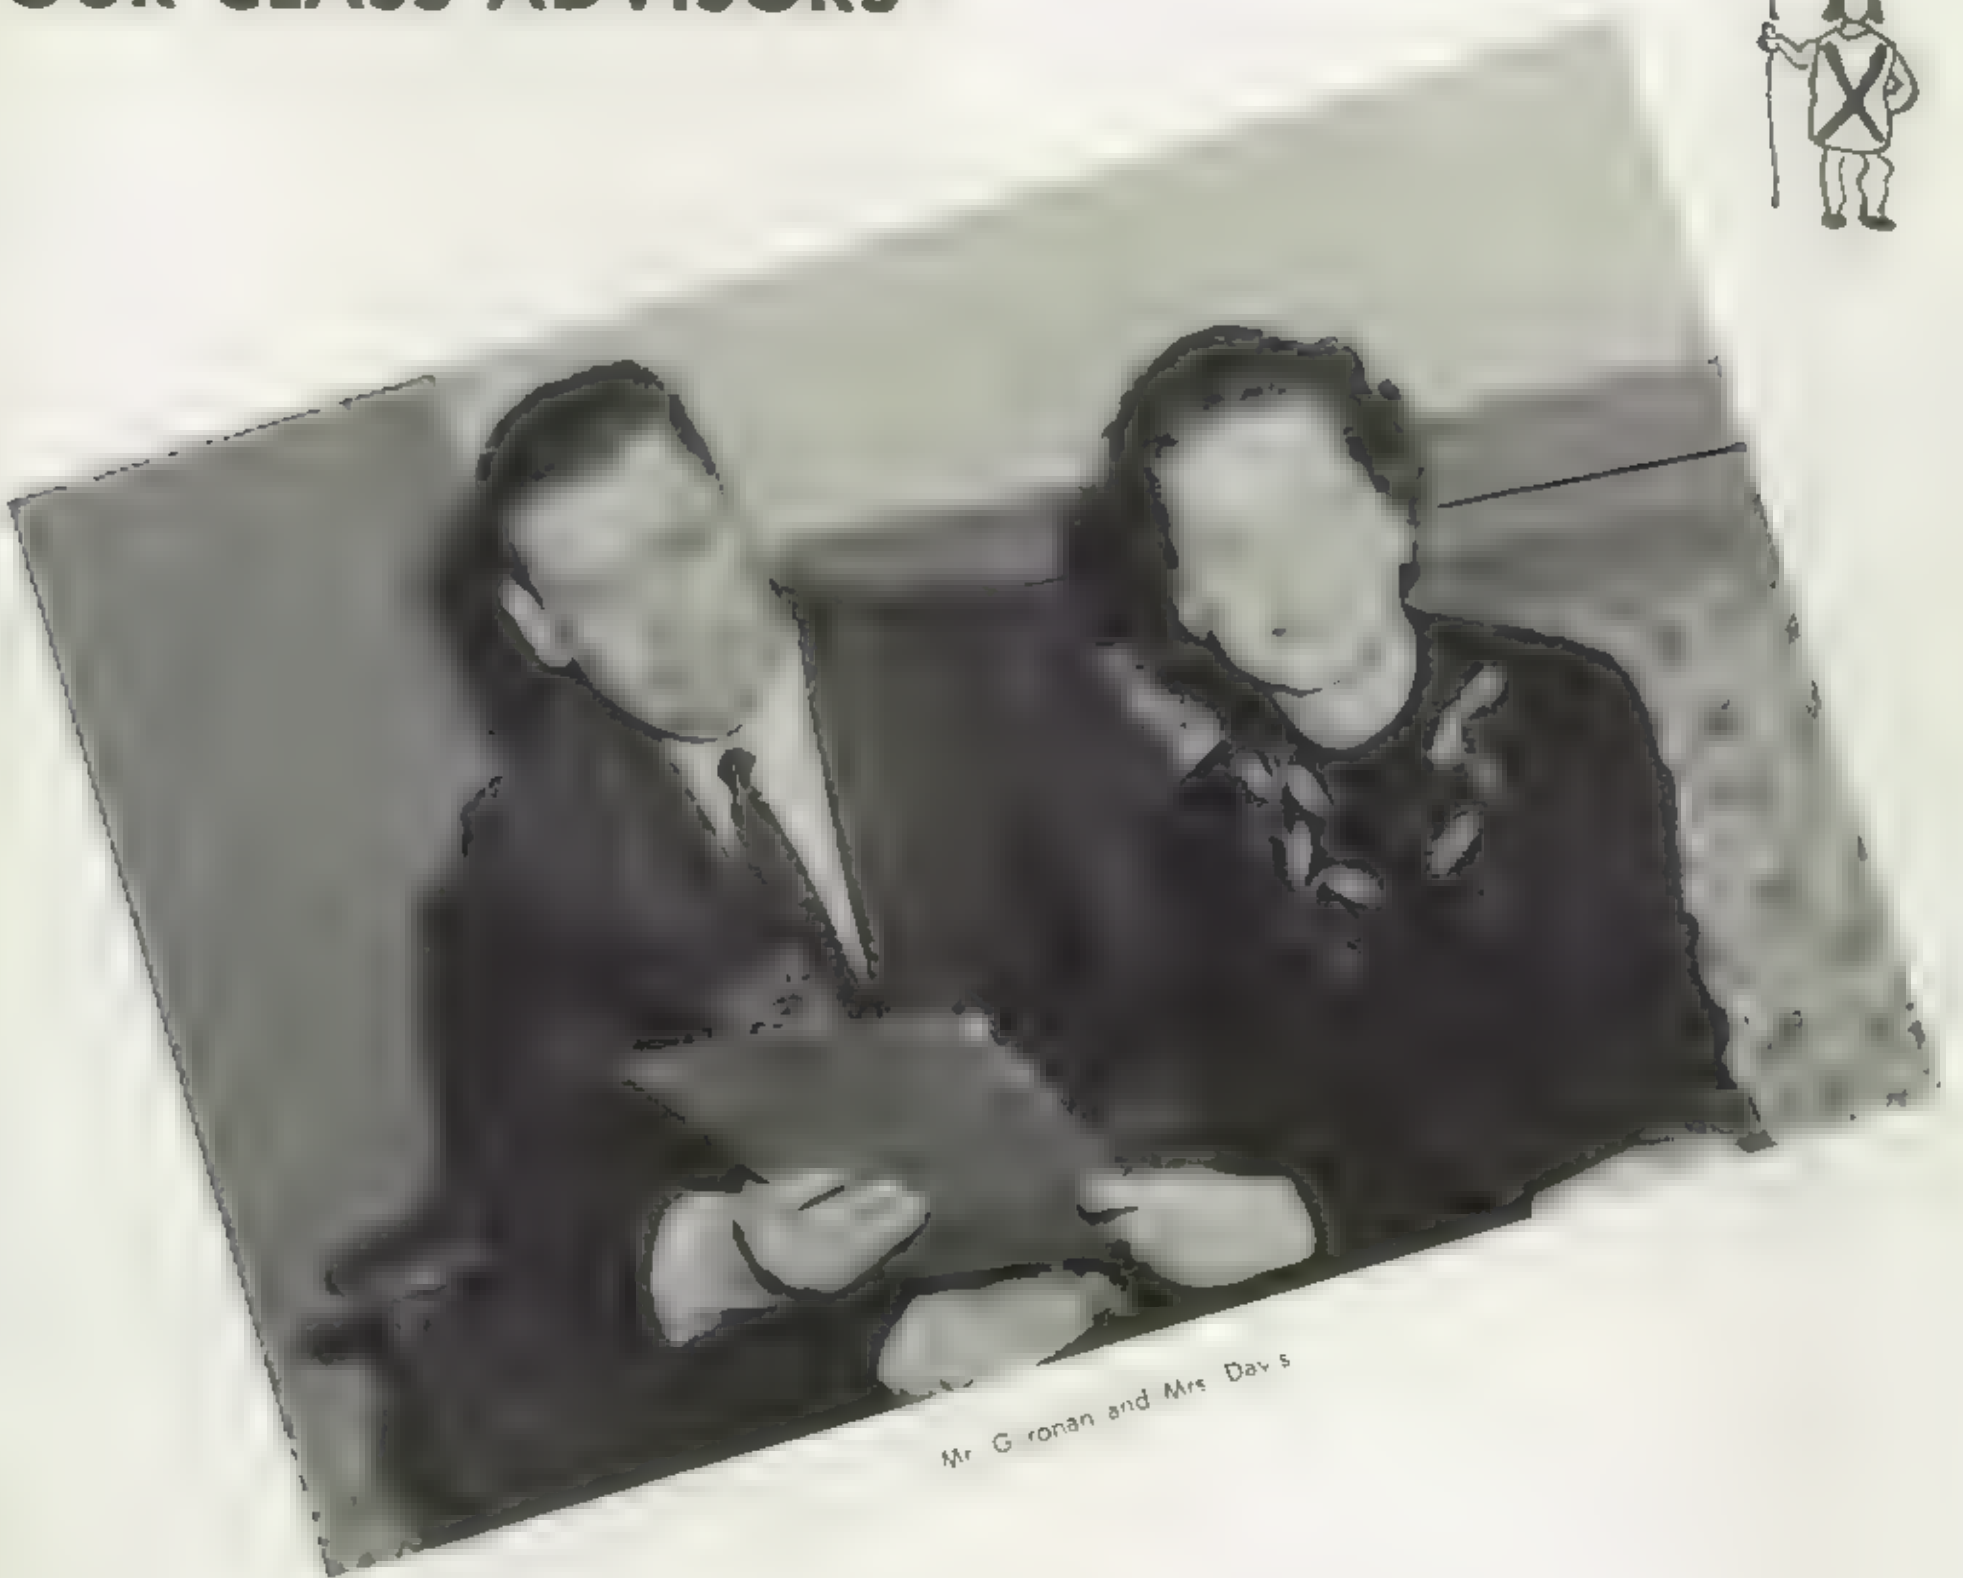

Finally, it was 1957 and we had reached that long-awaited "Senior Year"! Some of us were a little bit awed at being Seniors; but after the first few weeks of school, we settled down to our final and most exciting year at Upper Dublin. And what a year it was to be! The yearbook staff began work on the annual, *The Mundockian*, early, meeting the first, and remaining, deadlines successfully. The Senior Class Play, "Dangerous Dan McGrew," under the capable direction of Mr. Robert B. Wert, came and went; and before we knew it, our Christmas dance, "Winter Wonderland," had passed. In February, we ordered our graduation announcements. We knew that we had to make the most of the rest of the year, for we realized how little time we had left at Upper Dublin.

Although at this time we are all anxious to start on our separate ways of life, we will be sorry to leave Upper Dublin, for even though it has offered us some sad times, it has also given us some of our best friends, and best times and experiences that we have had or will ever hope to have.

We are indebted to Mrs. Margaret Davis and Mr. Frank Gilronan, our class advisors, who have been instrumental to our wonderful high school career. Also we wish to give our sincere thanks to Dr. W. W. Eshelman, Mr. Norman L. Jones, Mr. William E. Keim, Mr. Paul D. Duelfer, and the faculty for all the help they have given us throughout all our happy years at Upper Dublin.

OUR CLASS ADVISORS

Mr. Gilronan and Mrs. Davis

Although it is a small token of our high esteem, we sincerely wish to thank our wonderful class advisors, Mrs. Margaret Davis and Mr. Francis Gilronan. Their helping hands and wise suggestions were always available whenever we sought them. We have appreciated all that they have done for us throughout our high school career

OUR CLASS OFFICERS

Pat Read, Secretary Alan Pullen, President, Ken Comly, Vice President, Myles Anderson, Treasurer

Dear Classmates,

One of the most rewarding experiences of my life has been serving as the President of the Class of 1958.

The reasons for this are many. Having the privilege to be the leader of a group with so much drive, ambition, and enthusiasm has indeed been an honor. I have appreciated especially the teamwork of our class as exemplified by my co-workers and class officers: Ken Comly, Vice President; Pat Read, Secretary; and Myles Anderson, Treasurer.

We are indebted to our advisors, Mrs. Davis and Mr. Gilronan, who made it possible for our class to have such a successful year.

I know that the knowledge gained in the classroom, the sportsmanship shown on the athletic fields, and the understanding guidance given by the faculty will be among our most valuable assets in the years to come.

Now, at the close of the year, I would like to wish all the members of the Senior Class much happiness in the future.

Sincerely,

Alan Pullen

President

SENIOR HIGH FOOTBALL

King Football, who usually is most successful on Upper Dublin High's athletic warfront, was dethroned this season.

He saw the Cardinals go without a victory in eight games. The only time a loss wasn't added to the record was the 13-13 tie at Schwenksville.

Coach Frank Gilronan and his assistants Andrew Cunningham and John Schwerling, however, worked for the future. They used seniors sparingly, and sophomores and juniors heavily.

A long loss streak is usually balanced by a long winning streak. Our hopes are that next season King Football V will wear the initial Inter-County League football crown without a loss.

The Upper Dublin Senior High hockey team battled Ambler to a scoreless tie in its final game of the season to become the first varsity team in the history of Upper Dublin to go undefeated. An ample supply of fight, determination and skill enabled the lassies to compile a 5-0-1 seasonal record. A strong defense held all opposition to a mere three tallies while a capable offense netted 16 goals for the Red and Grey.

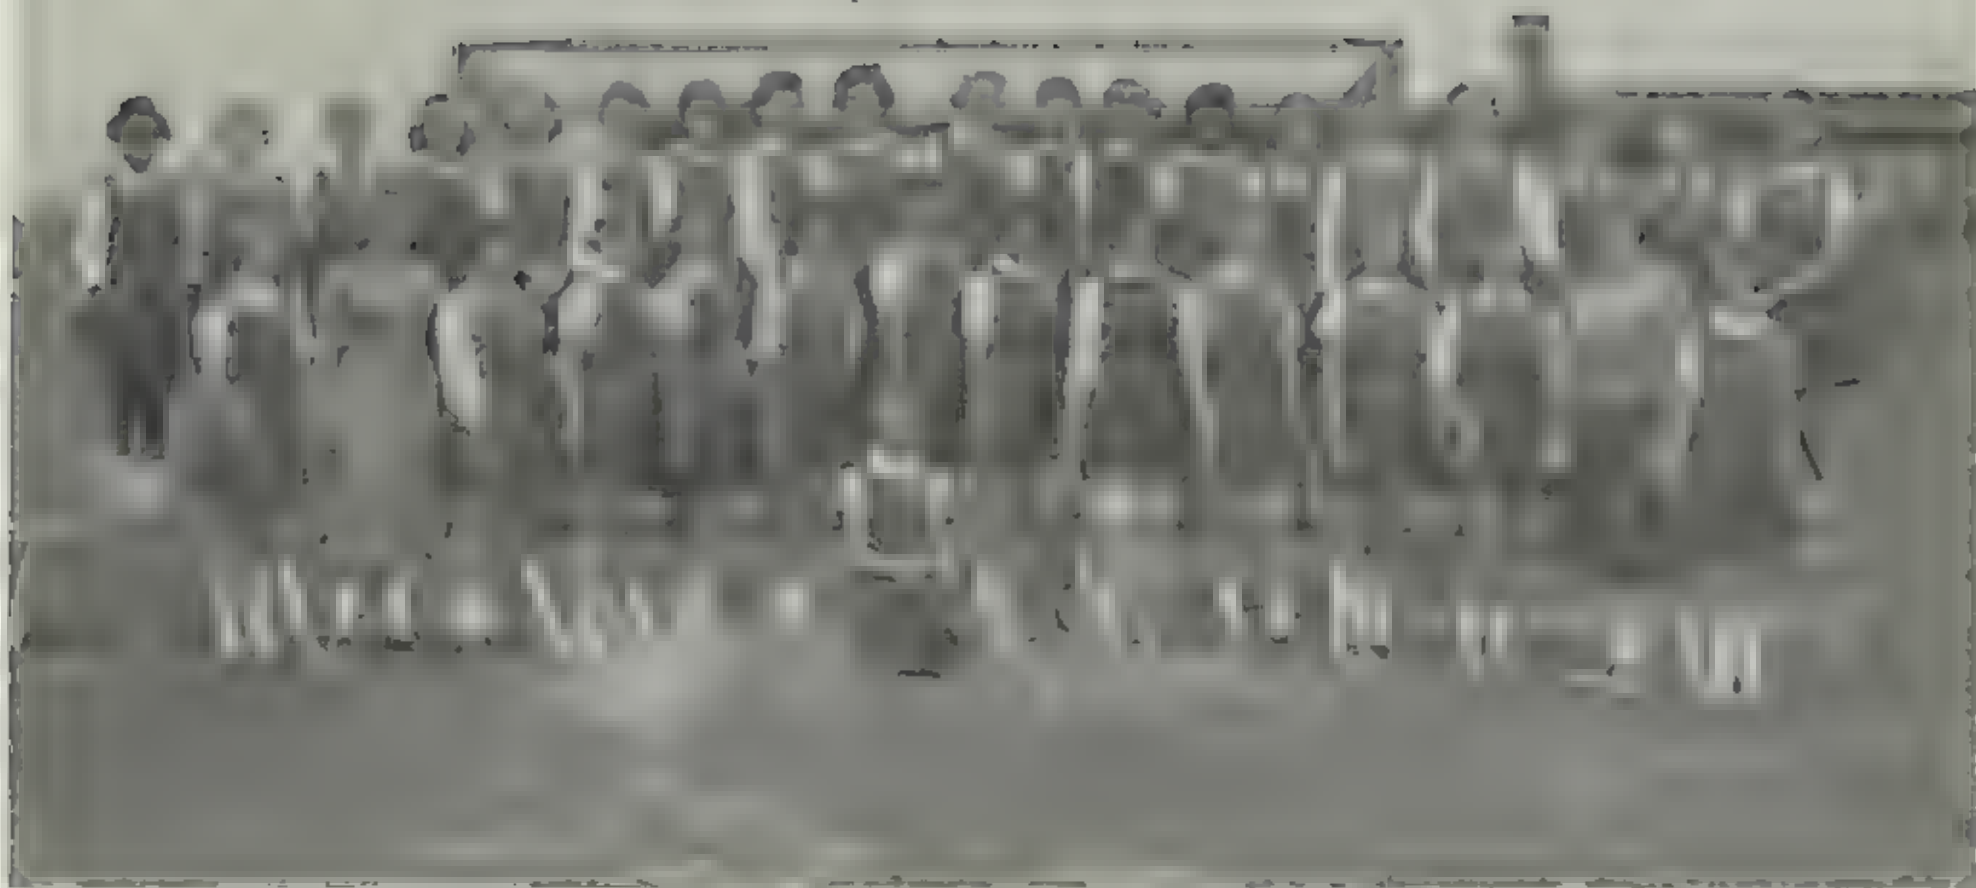

After completing a week of instruction at hockey camp in the Pocono Mountains, the squad returned home ready to begin their season. Souderton, whom the squad had never defeated before, was the first to fall under the might of Upper Dublin. Mercy, Jenkintown, Lower Moreland and Springfield were the next victims.

Ambler, our arch rival, was the final team to visit the Upper Dublin field. Despite the loss of two players, the Cardinalettes held the visitors and when the final whistle blew the score read 0-0.

Coach Joan Rocchino believes that this was the best squad that Upper Dublin has had thus far. Graduation will bring the loss of six of the starting eleven and will necessitate a rebuilding of the squad next season.

The Junior Varsity did not have as successful a year, but they completed the season with an even 2-2-1 log.

JUNIOR HIGH HOCKEY

Under the coaching of Mrs. Beatrice Eckles, the Junior High hockey squad completed a fairly successful season, compiling a 2-1-2 log. The team showed a great deal of improvement over the past season which was unsuccessful for both the varsity and the junior varsity.

The two victories came over Huntington and Plymouth-Whitemarsh while the lone defeat was at the hands of Hillcrest. Shady Grove and Glenside Weldon both battled the Junior Cardinalettes to a 1-1 tie.

Spirit and co-operation prevailed among the team members and, while working for victory, they played for the fun and experience that can only come through team play.

SENIOR HIGH BASKETBALL — THE CHAMPIONS

Co-Captains: Bob Cameron, Joe Johnson,

Under the tutelage of Paul M. Jones, the Redbirds closed the regular season with an impressive 15-4 record and a berth in the PIAA post season playoffs. The Cardinals, in addition, produced three champions this season: the varsity won the Tri-County League title on the strength of a 9-1 record, Joe Johnson took the league's scoring crown, and the Junior Varsity finished first in the jayvee circuit with an 8-2 log. Although the varsity will lose four of its starters through graduation, things look bright for next season when all hope to see Andrew Cunningham's champions fill the shoes of Paul M. Jones' champions.

SENIOR GIRLS' BASKETBALL

The Upper Dublin Senior High girls completed the first undefeated basketball season in the history of the school and their second perfect season of the year. The Cardinales, sparked by five seniors and a junior, were able to capture victories over Springfield, Plymouth-Whitemarsh, Cheltenham, Hatboro, Gwynedd Mercy, Lower Moreland, and Ambler.

Linda Savacool and Sue Koch provided the majority of the tallies for the Red and Grey while Doris Ischinger added the balance. Captain Sally Bastow, Janice Reller, and Carolyn Shaw were the defensive members of the squad and held the opposition to a minimum number of points. Since five of these regulars are seniors, Coach Joan Rocchino will have to rebuild next year.

JUNIOR GIRLS' BASKETBALL

The Upper Dublin Junior High girls' basketball squad registered a final record of four wins, two losses, and a tie. The junior Cardinalettes defeated Springfield, Abington, Gwynedd Mercy, and Plymouth Whitemarsh. East Norriton battled to a tie while Huntingdon and Glenside overcame the junior lassies.

Only three members of the starting six will advance to the senior high next year. Mrs. Beatrice Eckles again coached the squad and has great expectations for next year's team.

SENIOR HIGH BASEBALL

Coach H. M. JONES

Upper Dublin High's baseball team reached a new low last year as it won only four games while losing ten. A 9-9 tie with P.S.D. completed the record.

Last year's team was a young team, composed mostly of juniors and sophomores. There were only two seniors on the squad. For this reason, the season can not be considered a failure since it provided valuable experience for these young ballplayers. Coach H. Martin Jones, who will be back at the helm again this year, feels that these boys with a year of experience under their belts are ready to bring the Tri-County League trophy back to Upper Dublin.

And they're off!

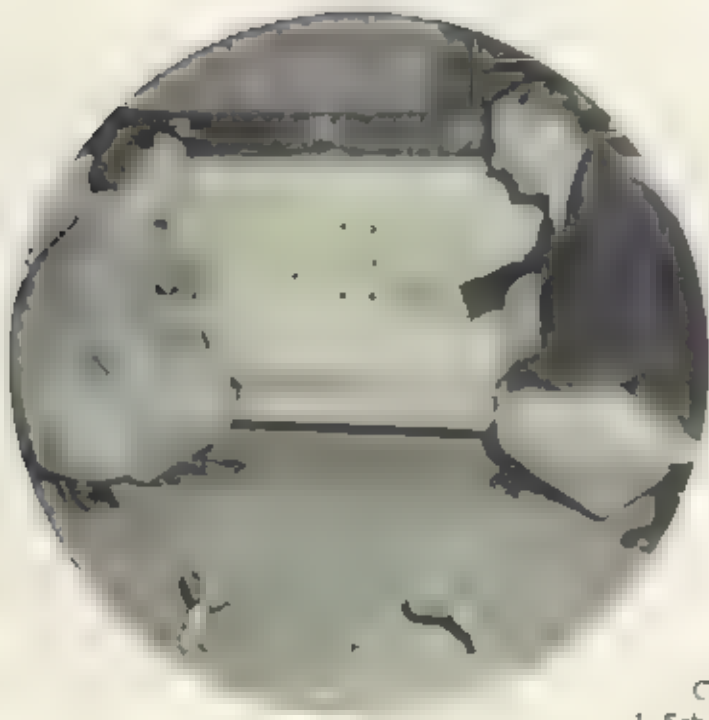

Upper Dublin's cross country team finished the season with a 3-7 record. But the poor log may be partially accounted for by the fact that most of the schools it ran against were much larger than ours. Although the team will lose four starters through graduation, prospects look good for next year since the team will follow a revised schedule which will include teams of its own class.

RIFLE

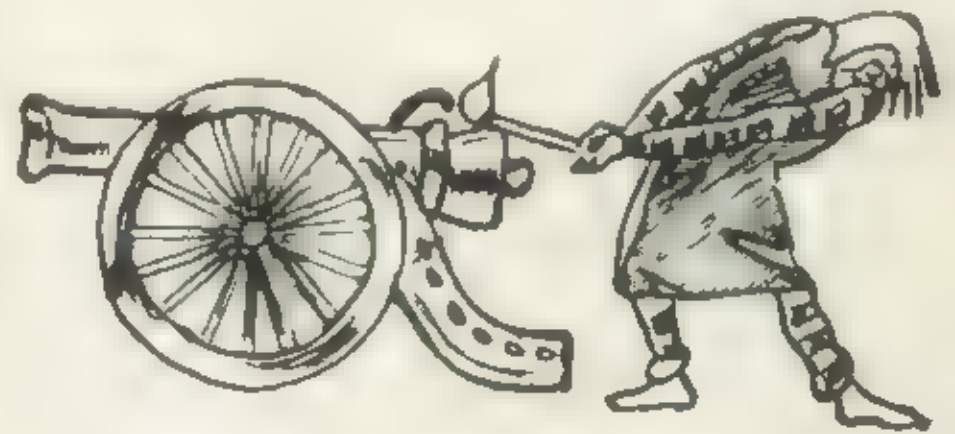

The Upper Dublin rifle team completed its third season very successfully as it took second place in the Suburban Philadelphia Interscholastic Rifle Association's Northern Division. The team has seen victories at the downfall of Ambler, Southern Lehigh, Centra, Bucks, and Quakertown while Abington fired an almost perfect team score to beat the Cardinal shooters.

While losing two of the high ten to graduation, the rifle squad has acquired several new members to take their place bringing the total on the squad to 18.

Mr. Kenneth Childs is ably assisted by Mr. John Schwering in coaching and directing. The nine members for the rifle team were: G. Sterner, R. Smith, B. Ulley, K. Comly, R. Comly, V. Vroom, C. Brown, M. Scheerbaum, and D. Cassel.

SENIOR STUDENT COUNCIL

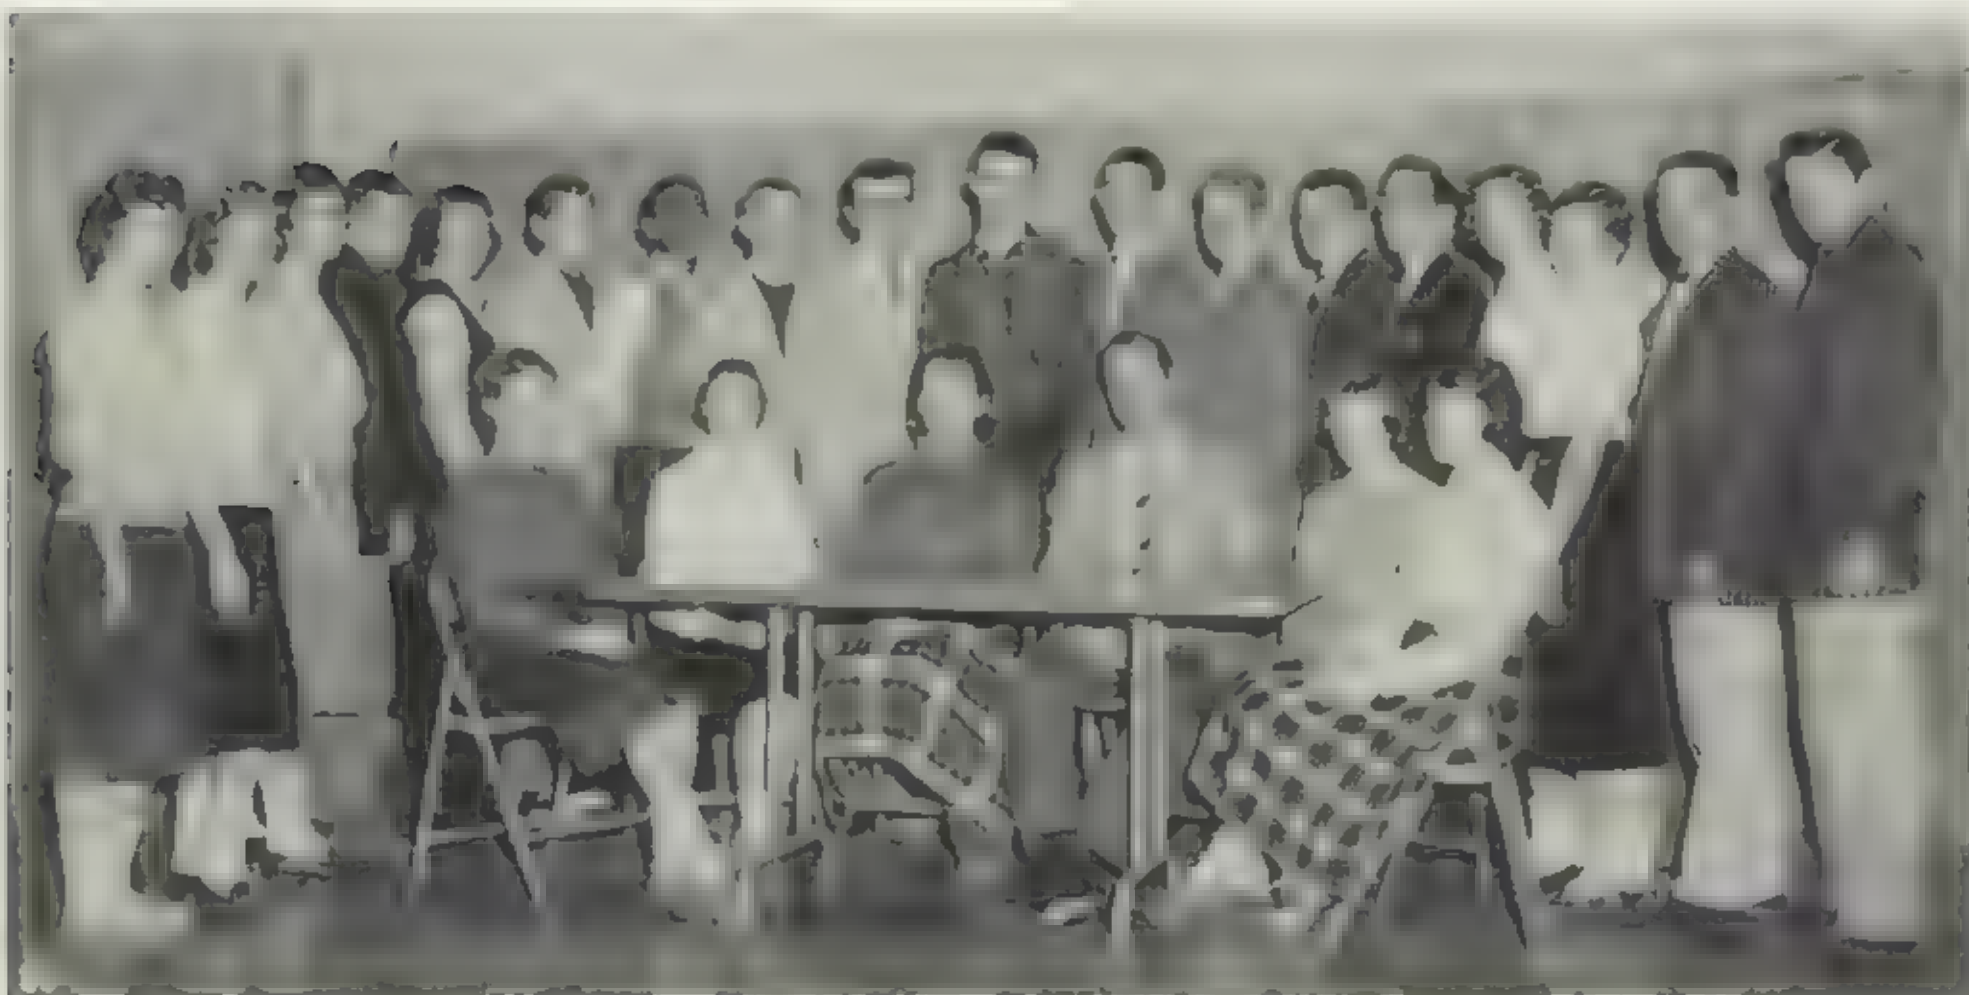

The Senior High Student Council, under the direction of Mr. W. E. Keim, has conducted many activities and projects useful to the school. In November the Student Council sponsored the election of the football queen and held the Coronation Ball in her honor. About the same time it donated enough funds to enable the installment of a completely new sound system in the gymnasium. During the basketball season the Student Council sponsored and directed canteens after every Friday night home game in order to secure enough money to buy new cheerleading uniforms. The school store was also one of its projects which gave joy and service to the student body of the school.

JUNIOR STUDENT COUNCIL

Through the Junior High Student Council, every student in the Upper Dublin Junior High can say that he contributed something to the Mundockian 'castle.

Whether you have noticed it or not, the Council has been working all around you trying to improve school conditions and make the school year a more enjoyable one.

Such things as the Christmas tree in the lobby, the student phone directory, dances and canteens, visits to other schools, and different fund drives such as the United Fund and the March of Dimes, give improvements to your school and community.

We of the Junior High School Student Council thank you for your co-operation in making the council work for you and your school.

Respectfully submitted,

CONGRATULATIONS AND BEST WISHES
to the
GRADUATING CLASS of 1958
of
UPPER DUBLIN HIGH SCHOOL

We wish you success in your continued search for knowledge and understanding.

A nation is strong, happy and productive as long as its people are more interested in creating opportunity than in seeking security, especially the kind paid for by others.

The only enduring economic security is born of character and is carved by the individual with his own hands and by his own ingenuity in creating opportunity for himself and for others.

Dancing under the stars

AT LAST, THE PROM . . .

It's just that bad - Ken

I wish, I wish, I wish

And the band played on

May 9 -the day of our Prom! The Juniors had been working for months to make our dance a success, and now we were finally going to enjoy their efforts.

The decorations were beautiful and carried out the theme of an old Southern Plantation. Everything was perfect — from the southern mansion to the bubbling brook.

Ray Carr was there to entertain us with his music and orchestra. And, we must say, they were wonderful.

Each Senior girl got a Prom Key which she will be wearing for years, and every one of us received many wonderful memories which we will have with us all of our lives

Before we knew it, the orchestra was playing "Good Night, Sweetheart" and we were off to the Post Prom Party at Oak Terrace Country Club.

Beneath the arches

"THE FUN HAD JUST BEGUN" . . .

Some needed a rest

We're tired but we're not silly?

The Prom was a big success! The decorations were beautiful; the music was great; the dance floor was crowded. The dance was over at mid night but the fun had just begun. The Seniors had a whole exciting night of enjoyment ahead of them. Our parents threw a Post Prom Party for us at the Oak.

Rockin' and Rollin' . . .

In the swing of things

Dancing till five!

Terrace Country Club. There was little room for dancing but lots of room and time for jokes and songs. At about 2.30 the breakfast of scrambled eggs and rolls or creamed dried beef and toast was served. Then we were entertained by a magician and a toe-tap dancer. What a time we had! It was a night we will never forget!

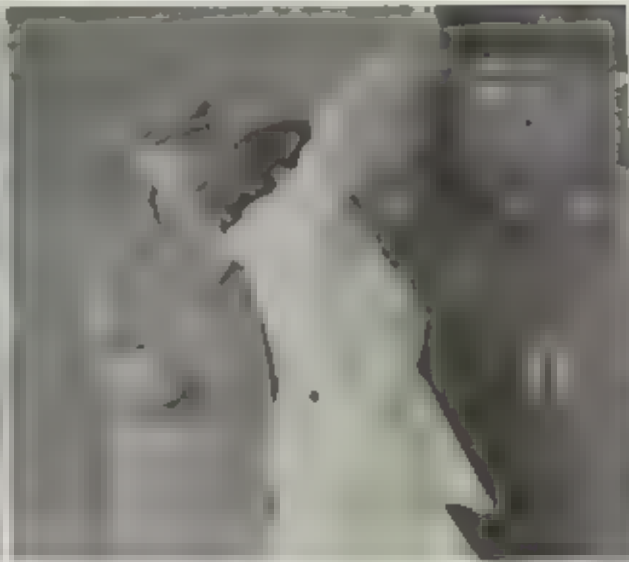

How good

No chaperons . . .

Everybody sing

*And so reluctantly I
close my senior year
wondering what will
happen next.*

*It has been fun
and I know I'll miss
good old UD — but
life passes on to new
achievements.*

Always,

A Senior
